ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on December 12, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

Application No. 09/894,331

AMENDMENT AFTER FINAL

A review of the file indicates that on September 6, 2007, Appellant filed an Amendment after Final in response to the Final Rejection mailed July 6, 2007. It is not clear whether this Amendment has been considered because an Advisory Action has not been mailed. Clarification from the Examiner is required.

Accordingly, it is ORDERED that the application is returned to the Examiner:

- (1) to appropriately respond to the Amendment After Final;
  - (2) provide a PTOL-90 including a correct "Status of Amendment" section;
- and
- (3) for such further action as may be appropriate.
